REPORT
of the
Board of Managers of the Schools of Nursing
of
Bellevue and Allied Hospitals

To the Board of Trustees of Bellevue and Allied Hospitals:

DEAR SIRs:

I beg to submit the following report:

In February, 1924, Dr. John J. McGrath, President of the Board of Trustees, notified the Board of Managers of the Bellevue Training School that the Board of Trustees did not consider the Contract made with the city in 1906, a satisfactory method of supplying the Nursing Service.

On March 19, 1924, a certified copy of a Resolution was received, stating that "the Board of Trustees of Bellevue and Allied Hospitals withdraws from and cancels the contract between itself and the Board of Managers of Bellevue Training School for Nurses. Such cancellation to be effective twelve months after service of the action."

After many conferences the appended Resolutions and By-laws of the Board of Trustees were passed December 31, 1924, and the acceptance of the same made by the Board of Managers.

For legal reasons connected with the vested funds, as well as for sentiment, the Incorporated Society of the Bellevue Training School will continue, and will submit an Annual Report to the Trustees as will also the Board of Managers of the Schools of Nursing of Bellevue and Allied Hospitals.

Appended are the Rules governing the Board of Managers of the Schools for Nursing and the Constitution and By-laws of the Incorporated Society of the Bellevue Training School.

Hereafter, a complete report of the activities of the Schools for Nursing will be rendered. This year of transition it is coincident with that of the Bellevue Training School.

Respectfully submitted,

ALICE D. OSBORN,
President.

RESOLUTION

Adopted by the Board of Trustees of Bellevue and Allied Hospitals
at the Meeting December 31, 1924

Resolved, That Schools for Nursing be established by the Board of Trustees in Bellevue and Allied Hospitals, City of New York, to be known as the Schools for Nursing of Bellevue and Allied Hospitals, under the direction and control of the Board of Trustees of Bellevue and Allied Hospitals.

That the Board of Managers of the Schools for Nursing of Bellevue and Allied Hospitals be composed of the present Board of Managers of the Bellevue Training School for Nurses.

That the Board of Managers of the Schools for Nursing of Bellevue and Allied Hospitals shall consist of the thirty members of the Board of Managers of the present Bellevue Training School for Nurses.

That the members of the Board of Managers of the Schools for Nursing of Bellevue and Allied Hospitals shall be appointed for a period of six years, the terms of five to expire each year.

That the present members of the Board of Managers of the Bellevue Training School for Nurses serve the terms for which they have been appointed as Managers of the Bellevue Training School for Nurses, as members of the Board of Managers of the Schools for Nursing of Bellevue and Allied Hospitals.

That the group of five members of the Board of Managers of the Bellevue Training School for Nurses whose terms expire February 1, 1925, be filled by appointment by the Board of Trustees of Bellevue and Allied Hospitals on or before February 1, 1925, from a list of names to be submitted by the present Board of Managers of the Bellevue Training School for Nurses on or before January 15, 1925.

That vacancies that occur in the Board of Managers of the Schools for Nursing of Bellevue and Allied Hospitals shall be filled by appointment by the Board of Trustees of Bellevue and Allied Hospitals on or before February 1st of each year, from a list of names to be submitted by the Board of Managers of the Schools for Nursing of Bellevue and Allied Hospitals, on or before January 15th of each year.

That in the event of a position in the Board of Managers becoming vacant before the expiration of the term of any member, the vacancy shall be filled by the Board of Trustees of Bellevue and Allied Hospitals from a list of names submitted by the Board of Managers of the Schools for Nursing of Bellevue and Allied Hospitals.

BY-LAWS
of
The Schools for Nursing of Bellevue and Allied Hospitals

Adopted by the Board of Trustees at the Meeting of December
31, 1924

1. The Schools for Nursing shall be conducted at Bellevue Hospital, and at Harlem Hospital, and at Fordham Hospital, and at Gouverneur Hospital, as soon as conditions at these two latter hospitals will permit.

2. The School at each Hospital shall be under the direction and management of the Board of Managers of the Schools for Nursing of Bellevue and Allied Hospitals, subject to the approval of the Board of Trustees. These several schools shall be known as the Schools for Nursing of Bellevue and Allied Hospitals.

3. Appointments to the major executive and educational positions in the several schools shall be made by the Board of Managers of the Schools for Nursing of Bellevue and Allied Hospitals, subject to the approval of the Board of Trustees.

4. Dismissals of those holding major executive and educational positions in the several schools shall be made by the Board of Managers of the Schools for Nursing of Bellevue and Allied Hospitals, subject to the approval of the Board of Trustees.

5. The conduct and management of the Schools by the Board of Managers of the Schools for Nursing of Bellevue and Allied Hospitals may be terminated by either party six months after notice is given to that effect.

RULES GOVERNING THE BOARD OF MANAGERS OF THE SCHOOLS FOR NURSING

Adopted by the Board of Managers of the Schools for Nursing of
Bellevue and Allied Hospitals

I. MEMBERSHIP

Members shall be appointed for a period of six years, the terms of five to expire each year, as per the Resolution of the Board of Trustees, December 31, 1924, and shall serve without compensation.

II. OFFICERS AND DUTIES OF OFFICERS

The Officers, and the duties of Officers, shall be the same as those provided for in the By-laws of the Board of Managers of the Bellevue Training School for Nurses, sections V, VII, VIII, IX, X, XI.

III. MEETINGS

The Board of Managers shall hold meetings at the Nurses' Residence on the first and third Fridays of each month, except during June, July, August, and September; and such other meetings as the President may call, or as may be called on the written request of three members of the Board. Five members shall constitute a quorum.

IV. REPORTS

The Board of Managers shall make an annual report to the Board of Trustees, and shall send the Trustees a copy of the Minutes of their regular meetings.

V. COMMITTEES

There shall be the following Committees, and such others as shall be created by the Board from time to time:

- Executive Committee,
- Ward Visiting Committee for Bellevue,
- House Committee for Bellevue,
- Committee on Personnel Work for Bellevue,
- Committee on the Mills School,
- Harlem Hospital Committee,
- Fordham Hospital Committee,
- Gouverneur Hospital Committee.

VI. AMENDMENTS

These Rules may be amended by a two-thirds vote of the members present at any regular meeting, due notice having been given in writing to all members. Any amendment to these Rules must be sent to the Board of Trustees.

CONSTITUTION and BY-LAWS

of the

BELLEVUE TRAINING SCHOOL FOR NURSES

ARTICLE I.

The name by which this Society shall be known is The Bellevue Training School for Nurses.

ARTICLE II.

The object of this Society is the training of nurses for the sick in order that women shall find a school for their education and the public shall reap the advantage of skilled and educated labor.

BY-LAWS

I. MEMBERSHIP.

The Society shall consist of Honorary and Active and Supporting Members.

Honorary Members shall be elected by the Board of Managers for valuable aid or important service rendered to the School.

Active Members shall be those who serve on the Board of Managers.

Supporting Members shall be those who make an annual subscription.

II. BOARD OF MANAGERS.

The Board of Managers shall be the same persons as those appointed to the Board of Managers of the Schools for Nursing of Bellevue and Allied Hospitals, under the Resolution adopted by the Board of Trustees, December 31, 1924.

No member of the Board of Managers shall receive any compensation for services rendered.

III. REPORTS.

The Board of Managers shall keep Minutes of its meetings and shall make an Annual Report to the Board of Trustees.

IV. MEETINGS.

The Board of Managers of the Bellevue Training School for Nurses shall hold an annual meeting on the first Friday in May, and such other meetings as may be called by the President. Five members shall constitute a Quorum.

V. OFFICERS.

The officers of the Society shall be a President, a Vice-president, a Second Vice-president, a Secretary, and a Treasurer. They shall be elected annually by a two-thirds vote by ballot of the Board of Managers, from among its members, with the exception of the Treasurer, who need not be a member of the Board of Managers. In case of the death or resignation of an officer, a successor for the remainder of the year may be elected by a two-thirds vote by ballot of the Board of Managers at any regular or special meeting of the Board, two weeks' notice in writing having been given by the President or the Secretary.

VI. NOMINATING COMMITTEE.

There shall be a Nominating Committee for officers, consisting of three members of the Board of Managers, named by the President, who shall prepare and submit a ticket annually to the Board. This ticket must be submitted in writing to each member two weeks before the annual meeting of the Board of Managers.

VII. PRESIDENT.

The President shall preside at all meetings of the Board of Managers, and shall call special meetings at her discretion, or upon the written request of three members of the Board. The President shall appoint all special and sub-committees.

VIII. VICE-PRESIDENT.

The Vice-president shall, in the absence of the President, perform the duties of the President.

IX. SECRETARY.

The Secretary shall perform the duties usually appertaining to this office.

X. TREASURER.

The Treasurer shall keep all the accounts of the Board of Managers and render a monthly statement. An Assistant Treasurer may be appointed by the Board of Managers when found necessary.

XI. BY-LAWS.

These By-laws may be amended by a two-thirds vote at the annual meeting of the Society, due notice being given in writing.

ANNUAL REPORT OF THE SECRETARY

April 1924—1925

Under the Agreement signed during the year between the Board of Trustees of Bellevue and Allied Hospitals and the Board of Managers of the Bellevue Training School for Nurses, the latter has become the Board of Managers of the Schools of Nursing of Bellevue and Allied Hospitals, and it will continue to be responsible for the nursing of these Hospitals, working according to the Resolutions and By-laws passed by the Board of Trustees.

With keen regret the Board reports the resignations of Miss Elizabeth S. Hoyt (The Hon. Lady Lindsay), Mrs. George B. McClellan, Mrs. Foster Kennedy, and Mrs. Richard Mortimer, which were received since the printing of the last Annual Report. Mrs. McClellan and Mrs. Mortimer had both given long and devoted service in the interest of the Bellevue Training School.

The progress of the Schools has continued very satisfactorily during the past year; further details will follow in the Report of the Director of Nursing Service.

We are much pleased to be able to announce that through the efforts of the Board of Trustees the much needed addition to the Bellevue Nurses' Residence was granted and is now nearing completion.

This year the first class, comprising thirty-six students, is graduating from the Harlem School of Nursing. The Managers take this occasion to express their appreciation of the excellent work and devotion of Mrs. O'Brien, Superintendent of Nurses. It is interesting to note that the splendid progress of this School is being watched with interest, not only in New York, but in other states as well.

Owing to the efforts of the Board of Trustees, the appropriation for a Nurses' Residence at Fordham Hospital has been obtained and Dr. McGrath informs us that they hope to secure funds for the building of nurses' quarters at Gouverneur Hospital. Both of these buildings will be of the greatest assistance in maintaining the nursing service of these Hospitals. We are greatly indebted to Dr. McGrath for his continued help along these lines.

We again want to thank Dr. O'Hanlon for his cooperation in adjusting the various problems that arise in the running of our Department, the many conferences he holds with the authorities of the Schools of Nursing being of invaluable assistance in giving proper care to the sick.

Under the able supervision of Miss Wadley the Social Service Bureau continues to expand its relief work, the value of which cannot be overestimated.

The Volunteers, under Miss Sloan, are keeping up their splendid work in the Clinics.

Miss Padian, as Superintendent of the Residence, and Miss Caswell, as Social Directress, greatly assist in creating a home atmosphere for the students. Miss Caswell's individual advice helps to solve many a personal problem, and the various parties she organizes for the students, as well as tickets for theatres, etc., received from generous friends, which she distributes, give much needed recreation to the student body.

The Committee on Personnel keeps the Club Room for women employees going, and the attendance there is very large—in fact, we feel that this has now become an integral part of the Hospital, the rest and recreation it offers doing much toward keeping the employees happy and contented. The Christmas Party, held in this Club Room, was much enjoyed and appreciated. During the summer the Little Store had to be given up, as owing to the building operations no suitable site could be found for it. This Store was so successful, and is so much missed, we understand, that we hope to be able to open another when the new Pavilions are completed. The resignation of Miss Whitmarsh, the Director of Personnel, who, feeling that this type of work was now so well grounded at Bellevue, wished to start it in other places, was accepted with regret.

Miss De Long's resignation, to take effect May 1st, has been accepted by the Managers with a deep sense of the obligations they owe her. For fourteen years, first as an unusually capable Superintendent of the Residence, and later as General Superintendent of Nurses, Miss De Long has given unstinted service. She has so quietly accomplished much constructive work that only those in close touch with our problems have recognized its amount and quality, chief amongst which has been a reorganization of the Educational Work, and the opening of the Harlem School of Nursing. The Board of Managers take this opportunity to put on record their appreciation and gratitude for what she has done, as well as to extend to her their good wishes for the future.

Respectfully submitted,

LOUISE M. ISELIN, *Secretary.*

HARLEM HOSPITAL

The Harlem School of Nursing now consists of 73 pupils and 3 Post-Graduate Nurses.

On April 23rd the first class of the school was graduated, and 36 nurses received their pins and diplomas. Several of these girls already have positions, and some of them are going to the Henry Street Settlement.

Since the graduation exercises 11 Probationers have passed their tests with flying colors and have been admitted as pupils.

The past winter was a particularly hard one for the entire staff, owing to the tremendous amount of illness all over the city and the consequent overcrowding of the Hospital. Much credit is due to our Superintendent of Nurses, Mrs. O'Brien, for the admirable way in which she handled the situation when the nurses were discouraged from over-work, and many of them ill themselves. She met with splendid cooperation from the Superintendent, Dr. Fleming, who was also at all times ready to assist our Committee in any way possible.

We are anxious to do everything we can to help make the school a success, and feel that the "morale" of the nurses is of great importance. With this end in view we instituted afternoon teas twice a week, and these they enjoy because of the welcome interlude from the rush of classroom and practical work. We also gave two dances for the nurses, in the preparations for which the whole staff took the greatest interest. One of the dances was in Christmas week and the other on Graduation Night, and both were pronounced a success. Several members of the Committee visit the Hospital regularly, for in this way we keep in closer touch with the nurses, who apparently like to see us and talk with us.

What we have been able to do has been very little, but we are all interested and hope every year to do more to encourage the women who are proving themselves capable of such excellent work.

Respectfully submitted,

MAUD RIVES HOYT,
*Chairman, Auxiliary Committee,
for Miss Harriette Rogers, Assigned Visitor.*

FORDHAM HOSPITAL

The good news that an appropriation for an addition to the Nurses' Home had been secured brought a sense of satisfaction to all those interested in the better care of patients at Fordham, as well as in the establishment of a Training School there. A very

heavy census and the growing service of the Hospital caused concern to the Board of Managers in connection with the responsibilities placed upon them. At present the nurses are very overcrowded, and even the patients are obliged to make way for necessary employees. A ward has been used as sleeping quarters for men employed since January, 1924, and the sun parlor, designed for convalescent patients, has been doing the service of a ward. The Children's Clinic, too, has been crowded into the Women's Ward. All this goes to prove the necessity of larger and better accommodations, that the welfare of all may be secured. Hope of this is now within sight, and in looking forward to the improvements for the future, the Board of Managers is confident of even fuller and better cooperation in their efforts to train the pupils and properly care for the sick.

Respectfully submitted,

HELEN M. FOX.

GOUVERNEUR HOSPITAL

The report on Gouverneur Hospital from June, 1924, to June, 1925, has been unusually good as to health conditions. The Hospital wards have been running light this year, which is, we think, largely due to the fine Dispensary next door. The prevention and educational work it is doing for the neighborhood is incalculable, as is shown by the fact that on any Saturday morning between seven and eight hundred patients pass through the different departments of the Dispensary.

There has been very little typhoid in the Hospital, and although the pneumonia this past winter has been of a severe type, we have had very few cases. With Mrs. Cantwell as Superintendent, Miss Dowd as Head of the Nurses, and Mrs. Morse in charge of the Social Service, the Hospital has had a very successful year.

The crying need at Gouverneur is for a new Nurses' Home, and we have told this spring that a new building will certainly be put up in the near future. The present old houses are unsanitary and do not conform to the fire requirements and are a source of deep anxiety to the Bellevue School of Nurses. We are very thankful for the bright prospect ahead.

Respectfully submitted,

HARRIET BLAINE BEALE.

REPORT OF THE HOUSE COMMITTEE

In presenting the record for the past twelve months of the activities of the House Committee of the Board of Managers of the Bellevue Training School for Nurses, we beg to report the following :

The difficulty of getting adequate supplies and replacements for the Nurses' Residence has been a great discouragement in our work. In January Miss Padian, the superintendent of the Residence, presented to the proper authorities requisitions for much needed supplies to the amount of the \$3,500 allowed by the city in the budget. Of these supplies so requisitioned, little more than half has been received. Illustrating this, the requisition called for forty-eight chairs needed to replace broken ones—only eight have been received. For the last two years we have asked for blankets in replacement of thin and worn ones, but these have not yet been obtained. A new dish-washer, needed last November to take the place of the old one which completely broke down at that time, has not yet been installed, although Miss Padian and the Chairman of the House Committee have exerted every effort to obtain it. For the last eight months we have been using an antiquated dish-washer, which had been discarded as useless years ago. This being quite inadequate, has caused much unnecessary breakage of china, is most unsanitary, and even a menace to health. These are illustrations of the difficulties constantly encountered in keeping the Nurses' Home in repair and properly supplied.

On the other hand, we have been able through the kindness of Dr. O'Hanlon, Mr. Lembke, Mr. White and others of the Hospital Staff, to have certain furniture repaired and re-upholstered, and one wall in the Lecture Hall repainted. On this wall we have properly grouped and hung pictures of former superintendents of our Training School, and placed as the central feature, under an electric light, an original letter from Florence Nightingale to Dr. W. Gill Wylie, giving advice as to the founding of our school in 1872. This valuable letter and a book on nursing by Florence Nightingale were recently presented to the Training School by Mrs. Wylie, to whom we wish to express our gratitude, also to Mrs. Osborn for the very charming and practical frame for the letter and binding of the book.

The Morning Assembly, started two years ago last January, has been well attended, and the social activities for leisure hours ably directed by Miss Wanda Caswell. A popular innovation has been Open House, held once a week, when the student nurses may invite their friends from eight to ten P. M. for an informal evening of dancing, bridge, et cetera. This, combined with our monthly dances and special holiday parties, gives the students the opportunity to receive their friends as they would in their own homes.

The House Committee wishes sincerely to thank each member of the Board of Managers for the interest they have shown through the winter in attending the teas held twice a week for the nurses. These opportunities of meeting informally have proved of mutual benefit in giving the Managers an insight into the needs of the students, and making the latter feel a spirit of cooperation which they greatly appreciate.

During the year many prominent and interesting speakers, musicians and others, have given their services in entertainments at the residence. We wish to convey our gratitude to Dr. Thorne, Governor of the Royal Free Hospital of London; Marguerite Harrison, speaker and writer; Helen Arthur, Manager of the Neighborhood Play House; Felix Salmond, 'cellist, and Dr. Rumschisky, pianist.

We wish to express our grateful appreciation for the constant cooperation the House Committee has received from all members of the administrative staff employed in the various departments of the Nurses' Residence.

Respectfully submitted,

MARY HARTWELL,
Chairman, House Committee.

REPORT OF COMMITTEE ON PERSONNEL
1924—1925

During the year the Club Room for Women Employees has been the only activity carried on by this Committee. Since the resignation of Miss Whitmarsh, who is filling an important position in California, the club room has been in charge of one of the old members, Mrs. Christine Murphy, who has discharged her duties in a most satisfactory manner, attending in every possible way to the comfort and pleasure of those who use the room and carrying on the excellent spirit established by Miss Whitmarsh. The club room is centrally located and provides the only place where the women employees can find a comfortable spot to rest during their hours off duty. Besides a piano and sewing machine, there is a small laundry where the women can wash their clothes. The facilities are very limited and it is very much to be hoped that in time some better provision can be made. It would go far toward maintaining a steadier personnel.

The room is open all day and until 8 P. M., and during that time the attendance averages from 60 to 70 daily. In winter hot tea is served in the morning and in summer cold drinks and occasionally through the generosity of some kind friend an entertainment is given or a small dance arranged. However small the service, it is much appreciated and your Committee takes this opportunity to thank the Hospital authorities for the interest they have shown in approving its activities.

Respectfully submitted,

DOREATHEA BLAGDEN,
Chairman pro tem in Miss Whitridge's absence.

REPORT OF ANNUAL MEETING

The Annual Meeting of the Board of Managers of the Bellevue Training School for Nurses was held Friday, May 1, 1925, at 10:30 A. M.

Present: Mrs. Blagden, in the Chair,
Miss Potter,
Mrs. Dominick,
Mrs. La Farge,
Miss Bradley,
Mrs. Hartwell.

The Minutes of the Meeting of 1924 were read and on motion of Miss Potter, seconded by Miss Bradley, were approved.

The Treasurer's Report was read, showing a total expenditure of \$45,322.64, and was accepted.

Mrs. La Farge, Chairman of the Nominating Committee, read the following ticket for 1925:

For President: Mrs. William Church Osborn.
For Vice-president: Mrs. Whitelaw Reid.
For Second Vice-president: Mrs. Linzee Blagden.
For Secretary: Miss Louise Iselin.
For Treasurer: Mrs. Morgan Derby.
For Assistant Treasurer: Mrs. J. Peter Hoguet.

Respectfully submitted,

MRS. ALEXANDER LAMBERT,
MRS. WINTHRON ALDRICH.

On motion of Miss Potter, seconded by Mrs. Dominick, the Secretary was directed to cast one ballot, whereupon she announced the election of the entire ticket.

It was moved by Miss Potter and seconded by Mrs. Dominick that the following Resolution be adopted: That a Special Meeting may be called by the Board to amend the By-Laws in order to relate them to the new status of the Training School under the Agreement with the Board of Trustees. This Resolution was unanimously adopted.

It was moved and carried that the lease on the rent of Osborn Hall for one dollar be renewed for one year.

On motion the Annual Meeting was then adjourned.

Respectfully submitted,

FLORENCE LA FARGE,
Secretary pro tem.

REPORT OF DIRECTOR OF NURSING SERVICE

To Dr. McGrath, the Board of Trustees, Doctor O'Hanlon, the Board of Managers and Friends of the Training School:

BELLEVUE HOSPITAL

It is my privilege at this time to present a brief Report of the year's work.

Perhaps to those not intimately connected with the detail of the work, it will seem as if there has been little change. New groups of students in pink uniforms, nurses completing their course and leaving us, classes and lectures carried on as usual; internes and instructors going about in the wards and all Departments of the Hospital, making an increasing number of demands. This seems the same from year to year, and it is so.

If our work for and service to humanity can be measured by numbers, the year 1924 exceeded all former records. The Nursing Department cared for 46,389 patients admitted to the Hospital and 356,397 admitted to the Out-Patient Department.

We hear on all sides of the shortage of nurses for bedside nursing. In refutation of this statement, as far as Bellevue is concerned, may I say during the year 1924, 1,552 graduate nurses responded to Hospital calls for bedside nursing. The number of days covered by these nurses totalled a period of over twenty years. Quite 75 per cent. of the nurses graduating each year from the Bellevue School enter the field of private nursing. As the year slips by, each day is crowded with the work and interest that the day brings; we do not realize how quickly it is passing or to what extent we are advancing and accomplishing the work we planned to do. The past year has been difficult and the demands upon the nursing Staff more numerous and complicated. Every department has been heavy and it has not always been possible to meet the demands.

PSYCHOPATHIC SERVICE

Thirteen thousand one hundred patients were admitted to the Psychopathic Department during the year. Consequently the wards were much overcrowded, hampering the nurses' work greatly. This condition was relieved later in the year by the addition of 50 new beds and equipment; the School for ungraded children is still in progress. Few people know that the city maintains 6 Schools at Bellevue Hospital.

DAY CAMP BOAT

The activities of the Day Camp Boat have been greatly increased this year. The equipping and opening of the Nursery for

the babies and children under school age and the equipping and opening of a 12-bed ward for men patients to relieve the crowded condition of the Men's Tuberculosis Wards in the Hospital.

New Clinics are springing up like mushrooms over night. All of this additional work has been taken care of by an overburdened nursing staff, which needs to be greatly increased, if we are to give our patients the proper care. If the Mills' School could be increased to 100 and the Women's School to 400 students, it would make for splendid efficiency in the care of our patients and give to all students a much better balanced experience.

We are glad to report that the number of requests for admission to the School continues large. During the year the number of requests for information concerning the student nurse course was 1,539.

Inquiries concerning post-graduate courses.....	157
Inquiries concerning institutional positions.....	246
Inquiries regarding special courses, such as anaesthesia, etc.	120
Calls to fill institutional positions	75
The number of students admitted during the year was	123.
The Nursing Staff consists of:	
Graduate Nurses	196
Bellevue Students	210
Affiliating Students	52
Post-Graduate Students	7
Mills' School	39
	504

We are affiliated with 40 Schools of Nursing:

Detailed to Bellevue	18
Detailed to Fordham	14
Detailed to Gouverneur	8

There is no doubt that the affiliating student is an added responsibility, for she is with us only for a short time and must receive the special training for which she has come to us. To arrange this without interfering with the training of our own students demands constant watchfulness. However, the knowledge that we are being of assistance to these institutions in rounding out the training of their students, and also bringing about a closer relationship between the nurses themselves, compensates us for the added responsibility.

The problem of providing for our students only such experience as can be considered of real educational value and eliminating that which has no such value, of providing for them the training that most efficiently fits them for the newer demands being made upon nurses, of filling them with a realization of the re-

sponsibilities they must assume when they leave the School, would be a difficult one under any conditions; but when we are also responsible for the nursing care of 46,000 sick people in the Hospital, to remember that the nurse is a student and that that fact must not be overlooked, becomes a much more complicated affair.

Thirteen of our students have taken the elective 4 months' course in Public Health at Teachers' College and the Henry Street Settlement.

At Bellevue, interest naturally centers mainly in the new buildings. Wards F and G and the addition to the Nurses' Residence are well under way.

The theoretical teaching has been ably carried on under Miss Dennhardt. There have been many difficulties in handling the large groups of students admitted, principally of limited space for the practice of practical nursing procedures and limited laboratory space and equipment.

VACATIONS

The Hospital was unusually heavy during the summer of 1924, which made the giving of vacations difficult. However, they were given to all entitled to them:

To the Supervision	575 days
Graduate Nurses	2,911 days
Student Nurses	2,334 days

totalling a period of 15 years, 8 months and 3 days. That this could be accomplished with four nurses for vacation relief was nothing short of a miracle.

FORDHAM HOSPITAL

On May 1, 1925, Miss Clancy, the Superintendent of Nurses, was succeeded by Miss Helen Flaherty, a Bellevue graduate, and two other Bellevue graduates are in residence at Fordham, assisting with instruction and supervision in the Medical and Pediatric Departments. The proposed erection of new residence accommodations for nurses at Fordham has already come under review, and the outlook is most hopeful.

GOUVERNEUR HOSPITAL

Gouverneur has run along quietly. Class work has proceeded according to the curriculum as usual. Housing conditions are very bad, but the money has been appropriated for suitable nurses' quarters. This contemplated building and an addition to the Nurses' Residence at Harlem will surely put Dr. McGrath down in our history as our building President.

One thing we have been able to demonstrate this last year is that the shorter hours of duty have kept our students in better

health. Of the less tangible part of the development that comes to every student nurse during her training, it is impossible to speak, and it must be left to them to demonstrate.

If they leave us realizing that the true spirit of nursing is service, if they can look back on the time spent in the Hospital in spite of difficulties as a precious experience, with its opportunities for helpfulness and kindness they will find their places. Surely at no time were women with the preparation that nurses have more needed. Nowadays, when it seems as if in every sort of profession and work we find so many anxious to be "Officers" and so few privates.

We send this Class of 1925 out to join their older sisters believing they will take their places as worthy members of the profession; that they will believe it is not a matter of choice whether they should take up or lay aside their professional responsibility, but a question of duty and science.

May I say in conclusion, that I feel I cannot adequately express my appreciation of the loyalty, assistance and support given me this year by the Staff and students. We are deeply indebted to the Board of Managers, to Doctor McGrath and other members of the Board of Trustees; to the Medical Staff and to Doctor O'Hanlon for their unfailing encouragement and assistance so readily given at all times.

Respectfully submitted,

KATHERINE CAPRON DE LONG,
Director Nursing Service.

REPORT PRESENTED AT GRADUATION EXERCISES AT HARLEM HOSPITAL

I have the honor to present to you this evening the first Report of the Harlem School of Nursing and this graduating class of thirty-six.

Following the war, there was a great shortage of pupils in all Schools of Nursing. Because of this condition many of the Schools from which we received students either discontinued their affiliation or decreased the number of students formerly sent to us. We were, therefore, confronted with the problem of caring for patients in a large general Hospital with an active service and only a handful of nurses. A School composed of affiliating and post-graduate students had not proved and never can prove entirely satisfactory and a School of Nursing had long been considered by the Board of Trustees and Doctor O'Hanlon. The Board of Managers, too, were in favor of a School.

During the summer of 1922 a School of Nursing was organized at Harlem. A number of graduate and post-graduate nurses were appointed to care for the patients until such time as students could be prepared for recruiting purposes for the wards. Letters were sent to the American Consul in Jamaica, Trinidad, and other islands of the West Indies, and even to Liberia.

Circulars of information concerning the new School were sent to schools and colleges and to prominent ministers throughout the country in an effort to get in touch with educated young women who desired to enter the nursing profession.

The first group of students, 20 in number, entered January 3, 1923.

During the year 55 students were admitted to the School; of these, 36 remain and are here tonight, receiving the diploma and pin of the School, the latter especially designed for them.

We met with much opposition and many discouragements in the early days of the School, and are most grateful to all those who have helped to make it the success it is today. To Mrs. O'Brien, the able Superintendent of Nurses, and to Doctor Fleming, too much praise cannot be given. To Doctor McGrath, Doctor O'Hanlon, for their unfailing support and advice in all matters pertaining to the welfare of the School. The Medical Staff not only for the attention to the sick nurses, but for giving of their time so generously for lectures.

The instruction at Harlem Hospital is identical with that given at Bellevue, and is carried on by the same group of instructors. The undergraduate course in Public Health given by Henry Street Settlement in affiliation with Teachers' College, has been arranged for, and two students will be assigned to this duty June 1st.

The expense of the social activities is largely borne by the Auxiliary Committee of which Mrs. Hoyt is Chairman. They have provided a Social Director—Mrs. Stoner.

The health of the School has been good. No contagion. One thousand sixty-two days were lost to the Hospital through illnesses of a minor nature.

Vacations were given to all entitled to them:

Supervision	178 days
Graduate Nurses	744 days
Student Nurses	677 days

The daily average of patients has been 267.

The Nursing Staff today consists of:

Superintendent of Nurses	1
Assistants	3
Instructors	{ Resident 2 Visiting 5
Head Nurses	9
Graduate Nurses, general duty	19
Post-Graduates	3
Pupils	53
Preliminary Students	13

Inquiries received during the year concerning student nurse course:

191
186 blanks sent out
85 blanks returned

We have many more applicants for the School than we can consider. We are in need of increased residence accommodations for 50 more nurses in order to meet the demands of the Medical Staff, give better nursing care to the patients, shorter hours for the nurses.

We have endeavored to give these students the instruction and experience that would prepare them for the work waiting for them, but how successful we have been can only be determined by their accomplishments in the years to come. We believe that these students graduating today will fulfill our expectations for them.

Respectfully submitted,

KATHERINE CAPRON DE LONG,
Director Nursing Service.

REPORT PRESENTED AT THE GRADUATION EXERCISES OF THE MILLS' SCHOOL FOR MEN NURSES

The Mills' School for Men Nurses attached to Bellevue Hospital was first opened for the reception of pupils December 17, 1887.

The acceptance of the gift from the donor who had built and furnished the Nurses' Residence was recorded on a tablet in the main hall of the building, and reads as follows:

BELLEVUE HOSPITAL

"The number of infirm and sick men who reach our City Hospital, make it a necessity to educate male nurses.

"To aid in establishing a Training School for this purpose, D. O. Mills, Esq., a citizen of New York, erected this building and presented it to the City to be used permanently as a Home for male nurses."

This School, established in 1887, was discontinued in 1911, when a School for Attendants was organized.

During the years between 1887 and 1911, 479 men graduated as nurses; of this number, 65 studied medicine successfully.

From 1911 to 1921, 83 graduated as attendants; 75 of this number with further study received nurses' diplomas and became registered nurses in the State of New York.

The School for Attendants was discontinued in 1921 and a School for Nurses reorganized and registered.

Full credit in time was allowed students who met the educational requirements and were in the School for Attendants at the time it became a registered School for Nurses. The students who did not meet the educational requirements were permitted to have special instruction, with the understanding that if they succeeded in earning the necessary counts, they would be given credit for the time spent in the School for Attendants.

Mr. Frederick Jones, Class of 1911, has been appointed Superintendent of Nurses. Mr. Jones is an excellent teacher, well qualified for his work.

Heavy demands have been made upon the School during the past year; demands which have been faithfully and efficiently met by the students. We are greatly in need of pupils for this School and it seems difficult to procure them. Last year we advertised the School in eastern, western and Canadian papers and sent notices to the Knights of Columbus and the Young Men's Christian Associations, calling attention to the need for men nurses and the opportunities open to them after graduation.

Census of the School:

Bellevue Students	18
Affiliating Students	12
Post-Graduate Students	2
Preliminary Students	7

We are affiliated with the following Schools:

Buffalo State Hospital.....	Buffalo, N. Y.
McLean Hospital	Waverley, Mass.
St. Lawrence Street Hospital....	Ogdensburg, N. Y.
Binghamton State Hospital.....	Binghamton, N. Y.
Middletown State Hospital.....	Middletown, N. Y.
Butler Hospital	Providence, R. I.
Pennsylvania Hospital	Philadelphia, Pa.
Bloomington Hospital.....	White Plains, N. Y.

These Schools send their students to us for 11 or 12 months.

Classes and lectures for the men students are given whenever possible with the women students, thus avoiding needless repetition of lectures and recitations. In addition to regular duties, students are assigned to the Isolation Ward, the Diet Kitchen, and Eye, Ear, Throat, and Nose Department.

A well organized Student Council hold regular meetings and is most helpful in the management of the School affairs. It co-operates in matters of discipline, manages the School paper, which before the present graduating class took an interest in it, was published as typewritten sheets on the Bulletin Board, under the name of the Mills' Training School. Three hundred and fifty copies are issued bi-monthly, 200 copies are sent to regular subscribers, and the others are sent to universities and high schools in exchange for their papers. Orders for over 700 copies have been taken for the graduation number.

Miss Pentland, Bellevue graduate, Class of 1895, has made a charming hostess for the School since September 16, 1924.

The School has a beautiful radio, presented by Mrs. Whitelaw Reid.

To you, young men, who are about to receive your well-earned diploma and pin, we extend a welcome into the nursing profession, believing that you will faithfully uphold its ideals and standards.

Ex-secretary Hughes, in a recent address to young men on his "Ideals of Life," said:

"To have life more abundantly look not too far abroad,
but search at home.

"Every walk of life can be made interesting if it is considered intelligently. Study your job. Study the activity of which it is a part. Know all about it that can be known. Knowledge and contemplation can lift us above the drudgery of daily work."

Respectfully submitted,

KATHERINE CAPRON DE LONG,
Director Nursing Service.

SCHOLARSHIPS AND PRIZES

The Mrs. William Preston Griffin Prizes of \$25 in gold each, for Practical Nursing, were awarded to Joan Hepburn and Katherine K. Farley.

The \$500 Scholarships established by the Board of Managers to enable graduates to pursue post-graduate work were awarded to Ethel Bacon and Marion Shaw.

A special prize known as the Bellevue Nurses' Conspicuous Service Award was awarded to Margaret Ann Parker "for devotion to duty, nursing skill, scholarship, and attainment of the highest standards of the nursing profession throughout her period of training and service. Coming to the Bellevue Training School for Nurses in the autumn of 1923, with previous training and experience as a nurse in South Wales, Great Britain, Margaret Ann Parker demonstrated to her patients, her instructors and her fellow students, those qualities of loyal devotion to the highest standards of the nursing profession which endeared her to all the patients with whom she came in contact, won for her high standing in her studies and her practical work in the School, and caused her to become a leader among her fellow students."

REPORT OF THE ALUMNAE ASSOCIATION OF THE BELLEVUE TRAINING SCHOOL FOR NURSES

During the year 1924-25 officers of our Alumnae Association and all committee members endeavored to perform their various duties faithfully.

Miss Ryan and the House Committee were untiring in their efforts to make Osborn Hall comfortable and homelike for its guests. A plan of economy and thrift was practiced which added materially to the credit side of the accounts.

The Registry Committee secured valuable information concerning rates and governing rules of all the large Registries in the city. The Bellevue Registry rates were increased, corresponding to the rates of other Registries. It was voted to appoint an assistant registrar.

Three hundred and forty dollars were given to the building fund for the Cathedral of St. John the Divine.

The Red Cross Committee raised \$230 for the Red Cross Drive in November.

The Entertainment Committee arranged for several dances and card parties; also for the dinner given in honor of the graduating class. Not only did the Entertainment Committee provide delightful entertainments, but raised \$328.50 for the benefit of the Association. One hundred and thirty-five dollars went to the Pension Fund, \$100 to the De Witt Cuyler Fund, \$50 to the Entertainment Fund, and \$43.50 to the Sick Nurses Committee.

The Bulletin Committee has been instrumental in keeping members far and near interested in Alumnae affairs.

With deep appreciation of the splendid work done in the past by our older members and with pride and hope in our young members who are gradually assuming the responsibilities of the Association, we look forward to promising times.

Respectfully submitted,

SARA E. SHAW, *President.*

REGISTRY REPORT

May 1924 — May 1925

During the past year the calls for private nurses have far exceeded in number those of any previous twelve months in the history of the Registry. This, in spite of the fact that no epidemic has prevailed and from the nursing point of view, the year has been called a dull one.

From May to May we have recorded 3,164 calls, but upon comparing figures we discover that the hospitals, particularly our own, are responsible for this unusual showing, their cases amounting to 1,800. This once again confirms the theory that nursing in the home is decreasing in proportion as hospital care develops. Therefore, it is advisable for every young nurse to take advantage of the present opportunity to work for a time outside an institution in order not to miss an important part of her education. Many of our cases both in homes and hospitals we were compelled to lose because a majority of our nurses are unwilling to do either night or 24-hour duty, but it should be understood that other agencies are not called upon until our own list has been thoroughly canvassed.

We have had requests to fill a variety of institutional positions, but notwithstanding generous salaries offered, it is always difficult to secure applicants for them.

During the year we have lost two of our number by death and four have married. Forty have come to us from the 1924 class and with a constantly changing personnel we have maintained our average of from 160-170 members.

Respectfully submitted,

MARY L. SLAYTON, *Registrar.*
